On August 2, 2024, the Pro Bono Club and Legal Aid Centre of Symbiosis Law School, Nagpur, organized a Legal Literacy and Community Service Camp at Madhuban Ashram Shala in Gungao, Butibori. The event saw active participation from twenty students who were eager to contribute to the cause of legal awareness and community service.

Dr. Deepti Khubalkar, the faculty in charge of the Legal Aid Centre, led the session and enlightened the students of Madhuban Ashram Shala about their fundamental rights and the significance of the Right to Education. Dr. Khubalkar effectively communicated these essential topics in the vernacular language, ensuring that the young audience could easily understand and relate to the information. In addition to legal education, the camp emphasized the importance of environmental conservation. The students were educated on various aspects of environmental protection and sustainability, fostering a sense of responsibility towards nature.

To engage the students creatively, drawing books and crayon pencils were distributed to all 85 students present at the camp. This initiative aimed to provide a fun and educational activity for the children, encouraging them to express their thoughts and ideas on paper.

A drawing competition was organized with the theme of "Environment." The competition allowed the students to showcase their artistic talents while reflecting on the significance of environmental conservation. The best drawings were selected, and prizes were awarded to one girl and one boy, each receiving a school bag as a token of appreciation for their excellent work.
