On September 21st and 22nd, 2024, the Symbiosis Law School Nagpur witnessed an incredible intellectual spectacle as The Debate and Literary Cell, in association with the Symbiosis Centre for Legal and Business Conference, organized the Model United Nations (MUN) 2024. The inaugural session marked the opening of the two day MUN. Dr. Sukhvinder Singh Dari, Director, SLS Nagpur in his welcome address highlighted the importance of debate and discourse in solving crucial international and national issues in a peaceful manner.

Leading this two-day program were Dr. Nuzhat Fatima Rizvi and Dr. Aarti Kalnawat. They demonstrated the combination of legal knowledge with business insight, providing an unmatched setting for students to practice problem-solving, critical thinking, and diplomacy. Renowned for their dedication to supporting intellectual curiosity and artistic expression, the Symbiosis Centre for Legal and Business Studies and the Debate and Literary Cell organized an event that not only simulated the UN conferences under the direction of both academics, but the cells have also continuously fostered creativity and skill, exemplifying quality in scholarly discourse.

With the steadfast support of Dr. Sukhvinder Singh Dari, the Director of SLS Nagpur, who has been instrumental in the event's success, the event had marked its exemplary performance. Day 1 was followed by a grand social night on Bridgerton Theme in the evening which witnessed a live band orchestra performance accompanied by a lavish spread of delicacies which was enjoyed by all the participants.

The event consisting of three committees focused on the synergy of business and law namely, the United Nations Security Council (UNSC), the All India Political Parties Meet (AIPPM), and the Chamber of Commerce (COC). Every committee addressed urgent problems relevant to the modern world, stimulating discussions and perceptive conclusions. The COC with the agenda "Dominance Of Dollars In Monetary Exchange" and "THE BIG DATA DILEMMA-Tackling Outrage and Exploitation In The Information Era" gave the delegates a forum to discuss the complex relationship between regulatory frameworks and corporate realities. Under the direction of Mr. Varun Kalantri and Mr. Harsh Sharma, the committee explored the intricacies of technological progress and its influence on the world economy, promoting a fruitful interchange of concepts.

The agenda for the AIPPM, which was led by Mr. Harsh Ghate and Mr. Anant Shukla was titled "ELECTORAL REFORM IN INDIA: A Critical Discussion On Modernizing Democracy." The delegates developed distinctive viewpoints on moral conundrums in the field of Social science and democracy while engaging in intense discussions that honed their comprehension of international law and socio-legal concerns.

With an emphasis on global security and diplomacy, the UNSC, led by Piyush Pariwakam and Aatish Nigam, took on the crucial task of "Addressing the Refugee Crisis in The Context of the Palestine Conflict." Delegates dealt on the complexities of nuclear proliferation, highlighting the need for coordinated action and diplomatic dialogue to mitigate global risks.

The inauguration ceremony was initiated by Ms. Sreelakshmi and Ms. Saveri by grandeur and passion after which the event was formally opened by Faculty in charges Dr. Nuzhat Fatima Rizvi and Aarti Kalnawat, and thus set the stage for two days of intense discussion and thought-provoking dialogue. Ms Saloni Bharadwaj and Ms Varsha (student cell in charges) gave the opening remarks. Intense conversations were held between chairmen and delegates as a result of the cooperative and diplomatic atmosphere. Through lectures interspersed with delicious meals and companionship, attendees gained priceless insights.
